ANGLED REAR SEAT AND LOWER BACK

Back and seat are angled, providing additional space for gun belts or other bulky equipment belts.

ALCOVE CLEARANCE

Lower back padding is cut away to provide 2 more inches of room, making it easy to move around.

DROP-AWAY ARMS

Chair arms drop easily out of the way to create more space for bulky duty or utility belts.

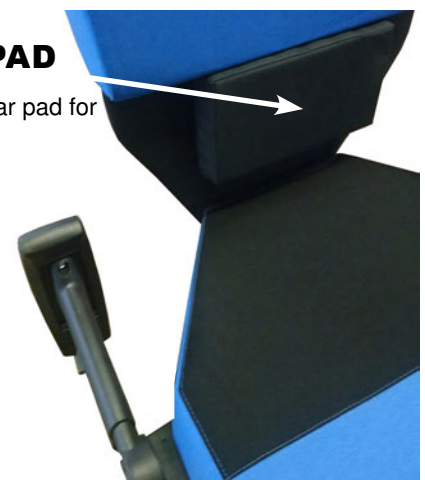

RATCHET BACK

The Shield Chair's height-adjustable back expands 5" for just the right fit.

LUMBAR PAD

Removable lumbar pad for extra support.
